TAKE YOUR BRAND TO THE CENTER OF OPPORTUNITY

SNX

SNX is a revolutionary opportunity to reach the right decision-makers, build brand visibility and collaborate with customers and prospects.

This newly launched industry forum breaks down the barriers of the traditional trade show structure, providing the ideal immersive setting to engage with your customers and prospects across a variety of inventive formats. Working alongside its sister trade show, SNAXPO, this interactive forum is dedicated to collaboration, opening a world of possibilities for participating suppliers to put their brand in front of the industry's key players in a meaningful way.

I see it as a petri dish of greater collaboration, in terms of working in a very focused environment with trusted suppliers and industry peers ... I really hope our members walk away from SNX with thought-provoking possibilities to consider, in terms of tweaking their product line or enhancing some of their policies in the workplace or contributing more towards environmental and social causes.

Rob Sarlls
CEO,
Wyandot, Inc.

The concept of a dynamic floor that mimics the snack process is exciting as it gives participating suppliers and attendees a unique opportunity to explore and collaborate at every step of the process.

Fritz Kohmann
CFO,
Shearer's Foods

It provides a platform for a different, yet still meaningful, presence on the show floor. I get to 'think outside the booth' to interact with prospects in new and engaging ways.

Senior VP of Sales,
Printpack

GET STARTED

1. The first step to engaging with attendees at SNX is reserving your **Supplier Suite**, which will elevate your experience through dedicated hours of private, focused meetings where business deals get done.
2. After you confirm participation in a Supplier Suite, you can further expand your presence in the **Experience Zones**. The five zones (Ingredient, Processing, Flavor, Packaging and Market) afford snack producers the chance to walk through the entire manufacturing process of a snack, while allowing you to network and ignite profitable relationships. Meet directly with attendees in your **Collaboration Kiosk**, give a short **SNAC Bites** presentation related to your zone or take part in special **Engagement Area** activities.

Build your brand's visibility and reach as a Participating Supplier.

SNX offers so many ways to get involved and amplify your presence—from reserving a Supplier Suite to leveling up with a Collaboration Kiosk and more*—it's an experience built to deliver the ROI you seek.

**Collaboration Kiosks, SNAC Bites and the Engagement Area are all sub-components of a Supplier Suite. After you purchase a Supplier Suite, you have the opportunity to add a Collaboration Kiosk, submit a proposal for a SNAC Bites Session or participate in an Engagement Area.*
